Charged Car
Old Colony Students Build Electric Vehicle
By Kenneth J. Souza

The blue Plymouth Voyager mini-van at Old Colony Regional Vocational Technical High School may not be automatic, systematic, or hydromatic as John Travolta boasted of his racing machine in *Grease*, but it does have one thing over the slick and shiny "Greased Lightning" — it runs completely on direct current electrical power. No gasoline or diesel engine, no pistons ... in fact no rumbling at all beneath the hood.

Built through the combined efforts of junior and senior students in the school's Electrical Department under the direction of instructor Michael Forand, the vehicle carries 21 car batteries in a wood and glass display case fashioned by the school's carpentry students. One of these batteries supplies the vehicle with "normal" electrical power for lights, radio and other accessories, while the other 20 batteries are used to run the vehicle in the absence of a traditional motor.

"The (van) runs on 120 volts ... we connected a series of 20 batteries at 6 volts each," said Mr. Forand. "And we added a built-in charger for the batteries which can accept either 120-volt or 220-volt current." Mr. Forand noted it takes about six hours to fully recharge the bank of batteries which can then power the vehicle for an estimated 50 to 60 miles.

The process which propels the vehicle is both simple and yet complicated in that the accelerator is now connected directly to a circuit board under the hood which regulates the amount of current which turns the drive shaft — much like a resistor or a conventional light dimmer. Pushing down on the accelerator increases the voltage, turning the drive shaft faster which, in turn, increases the vehicle's speed.

The vehicle responded surprisingly well during a test drive. It was able to accelerate to 45 miles-per-hour with little trouble ... and the smooth and quiet operation is uncanny. Of course, there are some minor drawbacks in the absence of a gas-powered motor.

"We have no heat ... and certainly no air conditioning," Mr. Forand said. "And we had to put in a hydraulic pump to work the power brakes."

Mr. Forand also noted that with 20 batteries inside the vehicle giving off hydrogen gas, a vented tube needed to be installed. "All batteries give off hydrogen gas ... but with only one installed in the front of most cars there's no need to vent them," he said.

Another minor drawback is the lack of space in the vehicle which has to lug around 20 batteries weighing about 75 pounds each in a space which otherwise could accommodate four additional passengers.

"You can't travel as far as you can with (a gas-powered) vehicle, but I think it's great," Mr. Forand said. "It would make a great second car for taking short trips to the store."

Though the vehicle saves money on gasoline fuel,

it still costs a considerable amount of money to keep it up and running. Mr. Forand noted that the bank of batteries cost an estimated \$2,000 ... and that's not counting the \$6,000 to \$7,000 it cost to convert the vehicle to electrical power.

"It's still a very expensive technology," he said. "It ends up costing about 7 cents a mile and you need to replace the batteries every five years."

Mr. Forand said there are already other applications for electric vehicles in the state — Boston currently uses buses run by electric power — and some other trade schools have taken on similar projects like Old Colony. "Everybody builds an electric truck — usually a Chevy S-10 — but we didn't want to do that," he said. "The mini-van was donated to the school on February 4 and we registered it on May 20."

Tentative plans for the vehicle include using it to deliver pamphlets and promotional information on Old Colony Regional Voke to other schools and also to give

On the cover: This Plymouth Voyager mini-van was recently converted by the Electrical Department students at Old Colony Regional Vocational Technical High School in Rochester into a functional electric vehicle. The van, which runs on a series of 20 6-volt car batteries, will be used next year as a recruiting tool for the high school. (Photo by Kenneth J. Souza).

Cover insert: Maestro Russell Patterson of the Kansas City Orchestra and Lyric Opera will be conducting the First Annual Buzzards Bay Musicfest in Marion on August 8, 9 and 10 at Tabor Academy's Fireman Performing Arts Center. The three-day festival will include performances of classical works by Bach, Handel, Mozart, Grieg, and Tchaikovsky.

rides to winners of a proposed essay-writing contest. "We'll be using the vehicle as a recruiting tool next year," Mr. Forand said. "We'll have a pamphlet answering the 20 most asked questions about the vehicle ... and we'll paint it with the school's name and list all the sponsors who donated parts."

And just like the obsessed Dr. Frankenstein in Mary Shelley's classic, Mr. Forand noted that his students certainly got a charge out of bringing their creation to life. "This was a great project for the kids," Mr. Forand said.

Summer Sounds

Marion Brings Music to the Ears This Summer

By Kenneth J. Souza

There are always a few tell-tale signs of the sunny summer season in Marion — the increased number of boats in Sippican Harbor, the growing number of residents tanning on Silvershell Beach, and the sweet sound of music filling the air as a welcomed series of summer concerts returns ... and a new performance program hopes to become an annual event.

Whether the sound is coming from the stage of the Robert Broomhead Bandstand on Island Wharf ... or from the Fireman Performing Arts Center just a few paces down the road at Tabor Academy, area residents are sure to find something to satisfy their taste in music during the dog days of summer.

The Marion Concert Band, under the direction of Tobias Monte, will once again perform a series of concerts at the Robert Broomhead Bandstand on Island Wharf off Front Street in Marion. The concerts are free and open to the public and are held on Monday evenings beginning at 7:30 pm.

On Monday, July 14, the band will present "The Best of Broadway" featuring music from the Broadway stage. Planning numbers include: "National Anthem," "March 'DeMolay' Commandery" (R. B. Hall), "Broadway Show Stoppers Overture" (arr. W. Barker), "A Trumpeter's Lullaby" (L. Anderson; John Smialek, trumpet), Selections from "Cabaret" (J. Kander), "Gigi" (F. Loewe), Highlights from "Man of La Mancha" (M. Leigh), "March of the Women Marines" (L. Saverino).

■ Buzzards Bay Musicfest

The first annual Buzzards Bay Musicfest will sail into Marion's Sippican Harbor for a three-day summer festival of chamber music and orchestral concerts next month. From August 8 through August 10, Maestro Russell Patterson of the Kansas City Orchestra and Lyric Opera will lead an ensemble of nationally-recognized musicians in a series of concerts of the highest artistic level.

The acoustically-superb Fireman Performing Arts Center at Tabor Academy will be the setting for the event, with 600 available seats open to the public free-of-charge.

You can also bring a picnic to savor by the sea and then enjoy a summer afternoon or evening with Bach, Handel, Mozart, Grieg, and Tchaikovsky.

Three diverse programs will be presented as part of the Buzzards Bay Musicfest, beginning with an Orchestra Concert on Friday, August 8 at 8:00 pm. There will be a performance of Chamber Music on Saturday, August 9 at 8:00 pm, and the weekend will wrap up with another Orchestra Concert on Sunday afternoon, August 10 at 2:00 pm.

The events are hosted by the volunteers of the Marion Art Center, Inc., a non-profit organization dedicated to promoting the visual and performing arts. For further information on the Buzzards Bay Musicfest, please call 748-1266.

Mattapoisett Selectmen's Meeting

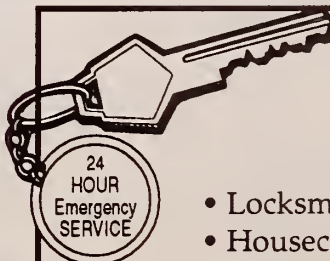

July 8, 1997

By Pamela L. Sylvia

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, July 8 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul Lambalot, Selectman Michele Bernier, and Executive Secretary Carol Adams.

After approving the minutes from the Selectmen's meeting of June 24, the board met with Harbormaster and Wharf Commissioner Steve Mach at 7:00 pm. Mr. Mach mentioned three clear points that needed to be discussed. First, he was concerned with residents paying their mooring bills on time. The system in the past has been that bills would go out every January, with people paying well past the deadline. Secondary notices would then have to be mailed, which would cost more money.

With the help of Town Clerk Lois Ennis, they put their minds together and came up with a new and improved plan for having the bills paid on time. The bills will go out as planned around mid-January, but the due date will be April 1. After April 1, a \$25 extra late fee will be charged. Then on June 1, another notice will go out raising the late fee another \$25 to \$50. If the bill still isn't paid by July 1, the mooring will then be taken out of the water. After

listening to the new and improved plan, the board voted to adopt the new policy.

Secondly, Mr. Mach brought up the fact that there is no place for people with inflatable boats to dock at the wharf. He decided there should be eight total spaces available. Four will be sold to residents, who will need to purchase stickers for \$50 each. The other four spaces will go to non-residents for \$100 each. The tie-up area will be to the east side of Long Wharf. There will also be an area for people who would like to dock their boats for a 24-hour time period. That will be available, but strict penalties will be incurred for people who will leave their boats for more than a day. The board believed this was a fine idea for letting the space for the inflatables be used fairly. They unanimously agreed to adopt this plan.

Thirdly, Mr. Mach was concerned with the fact that dinghy space is not selling as well as it used to. The dinghy space will hold about 35 boats total, and stickers must be bought for securing spaces. He thought it would be a wise idea to open dinghy spaces to non-residents, freeing up five spaces for residents from other towns. To secure a space, residents of Mattapoisett will have to pay \$35, while non-residents will have to pay \$70. The board unanimously agreed to making the spaces available to both residents and non-residents.

Ms. Adams then brought up the issue of cars that have been parking on Barstow Wharf. The cars are allowed to park for the loading and unloading of gear, but then are supposed to be moved to the legal parking lot. An amendment was suggested that no parking be allowed on the wharf from June 1 through September 15. This amendment will be added to Section 6 (Parking) of the Rules and Regulations Guide.

At 7:30 pm the board met with elected officials, department heads, and other town boards, and committees regarding the handicap accessibility of all town buildings. Members of the Board of Health, Planning Board, Conservation Committee, and Council on Aging attended, expressing concern

for several issues. First of all, Ms. Adams explained to everyone the measures that have been taken thus far to change the Town Hall accessibility. An outdoor American with Disabilities Act (ADA) approved bathroom, repairs to the wheelchair ramp at the back entrance of the Town Hall, and repairing of the handrails are all constructional issues that are being considered presently.

Also in the works, Ms. Adams explained what the town will try to accomplish within the next six to seven months. A wheelchair lift will be constructed, making the second floor of Town Hall accessible. Plus, a conference room has been suggested to replace the area where the Council on Aging (COA) park their van. The red flag that people caught on to was the fact that the town's Free Cash will not be available until October of this year, at the earliest. Then a Special Town Meeting will have to take place so the residents can vote on the plan.

With the second part of the reconstruction not taking place until the

end of the year, the boards and committees will have to adjust their schedules on where they can hold their meetings to meet ADA standards. The heads of the various town departments and committees will be meeting with Ms. Adams soon to discuss changes in their schedules.

At 8:00 pm, the board met with Arnold Briggs regarding the Antique Car and Truck Meet slated for this summer. Two dates have been picked: Friday, July 25 and Friday, August 15. The rain dates for both weeks will be the following Friday. Approximately 30 to 35 cars will be attending the meet, which was very successful last summer. The board thought it was a great idea the meet will be taking place in Mattapoisett again. They unanimously approved both dates for the meets.

At 8:10 pm, the board met with Pam Hiller to discuss problems that have been occurring at the Town's Bathing Beach. She first mentioned the sticker problem, in which residents do not want to place stickers on the front left side of their bumper. Then the suggestion was made that the sticker can either be placed on the driver's side window or the front bumper. Secondly, the parking problem at Barstow Wharf was mentioned. Ms. Hiller was then informed of the new policy approved by the board earlier in the evening. The board then asked how everything else was going in general, and she gave them positive feedback.

Under incoming correspondence for the week, the board received:

- Various letters from the Board of Health with regard to the meeting between them and the Board of Selectmen. As of this date, a new rescheduled date has not been set;

- Dale Hopkinson submitted information regarding the formation of a commission to review the handicap accessibility issue, with a vote of Town Meeting being the final vote. The commission will consist of no less than five members, and no more than nine people to be chosen by the Selectmen. The majority of people must be persons with disabilities and may be a member of

the immediate family of a person with a disability. Then one person must be an elected official or an appointed municipal official;

• Fire Chief Ronald Scott advised that Town Meeting approved the purchase of a four-wheel drive vehicle for the Fire Chief in the amount of \$23,000. The total cost of the vehicle will be \$29,000. The Firefighter's Association is willing to donate \$3,000, leaving only \$3,000 to be raised.

The board cited the following meeting scheduled for the week:

• Strawberry Shortcake Festival will be held on Wednesday, July 16 at the Shipyard Park;

• Thursday, July 18 at 3:00 pm - Hurricane Preparedness Meeting will take place in the Selectmen's Office;

• Harbor Days Festivities will be held on July 18, 19 and 20 in Shipyard Park.

With no further business to come before the board, they unanimously voted to adjourn for the evening.

Marion Selectmen's Meeting

July 8, 1997

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, July 8 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Secretary Helene Craver, and Executive Secretary Ray Pickles.

After approving the minutes of the June 24 meeting — with Chairman Schaefer abstaining — and signing and approving treasury warrants #52A, #53A, #53, #1 and #2, Chairman Schaefer wanted to comment on the wonderful holiday events which transpired in Marion over the preceding weekend. She first thanked the VFW Post 2425 for spearheading the Marion

Fourth of July Parade, mentioned the successful Marion Horse Show which celebrated its 50th year, and also applauded another wonderful Fourth of July Fireworks display at Silvershell Beach.

"Walking around and seeing the smiles on the kids' faces made it all worthwhile," Chairman Schaefer said. "I want to thank Debbie Thompson and her (Fireworks) Committee and all those who donated ... the fireworks were spectacular. I also want to thank all the members of the town police department, fire department, EMS department, and Department of Public Works for helping in making things run smoothly."

At 7:00 pm the board met with representatives of the Prowlers' Car Club and Marion Recreation Committee President Carol Eames. The Prowlers' gave Ms. Eames a check for \$500 to go toward recreational programs in town in appreciation for allowing them to hold their annual car show in Marion. The club is comprised of an estimated 25 members who enjoy fixing and displaying custom hot rods and vintage cars. There is no competition involved in their annual show, which is open to any type of vehicle. Some 104 cars participated in the group's recent show.

At 7:05 pm the board met with Nancy Leonardo of MediaOne Cable to discuss pending plans for upgrading the cable service to Marion residents. Ms. Leonardo explained that the company plans to begin their "drop swings" to convert the current cable system to a new fiber-optic line in Marion on

THE CORPORATE TRANSFER

The corporate transfer is the best of all worlds, financially, that is. Many companies offer to buy, at a fair market value, the home of their transferred employee, or in some cases, to lend him or her (without interest charge) the equity in that home and manage the property after the family moves out. Manage usually means maintain it and pay mortgage installments, insurance and taxes until it is sold. Most companies also have a specified period of time during which they will pay living expenses while the family househunts and/or awaits closing.

If you are a selling transferee, therefore, you will know exactly what equity you have in your property as soon as the company finishes its fair-market-value appraisal. You will then know that the cash you'll need will be available for the closing date of the property you are about to buy.

If you are a due-to-be corporate transferee, why not give us a call? We can help you at both ends of the transfer.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

August 13 and hopes to be completed by August 26. This conversion will allow an increased number of channel offerings and new packages will be made available to Marion cable customers.

Although Ms. Leonardo didn't know exactly when cable internet service would be made available, she assured the board that this service was planned for sometime in 1998. The board thanked Ms. Leonardo for the update and said they were looking forward to the improvements to Marion cable service.

At 7:20 pm the board opened a hearing on a request from Edward Briggs to appeal the board's recent decision to revoke Mr. Briggs' mooring privileges due to late payment of mooring fees. Mr. Briggs, who has three mooring in Sippican Harbor, said he simply lost track of the bills he received and thought they had been paid along with his boat tax.

"We have tried to make this process work so people can be responsible for paying their (mooring) bills," Chairman Schaefer said. "Those moorings are premium out there and there are many people waiting for them. We've made every effort to make sure people are aware of the deadlines and we've supported the Marine Resource Commission's guidelines."

With that, the board unanimously voted to deny Mr. Briggs' appeal request.

The board received a petition signed by 21 residents of Creek Road requesting an upgrade and resurfacing of their road. Planning Board Chairman George "T. J." Walker and Anne Underwood of the Circulation Committee addressed this matter with the board. According to Mr. Walker, most of the residents of Creek Road have a fear and concern over future plans which include the proposed bike path.

"I think everyone is aware that something needs to be done for both residents and pedestrians along the road," Mr. Walker said. "It's amazing the traffic that the road supports ... and how fast cars travel."

After further discussing various suggestions for either upgrading and/or widening the road to accommodate both a raised sidewalk and a bike path, the board and Mr. Walker agreed to schedule a meeting next Monday, July 14 at 7:00 pm with members of the Planning Board, the Circulation Committee, the Board of Selectmen, and the residents of Creek Road to discuss this issue further. Residents will be notified of the meeting. "Maybe that would be a good

time to talk to the residents and address their concerns," Chairman Schaefer said.

At 7:30 pm the board opened a hearing as the Subdivision Board of Appeals to consider a request for an appeal from Mr. Sisson of River's Edge Estates to allow building permits on several lots which are under a covenant with the Planning Board. Attorney Alex Parra was representing Mr. Sisson and Attorney Richard Burke was representing the Marion Planning Board.

According to Mr. Parra, a covenant was placed on Lots 17, 18, 19 and 20 of the subdivision in 1984 by the Planning Board as a security to ensure that Mr. Sisson upgraded the road to the subdivision as promised. It is Mr. Parra's contention that these lots were released from the covenant in 1986 when the Planning Board allowed a reconfiguration of the subdivision lots.

When Mr. Sisson recently applied for building permits on Lots 121, 122, 123 and 124, he was denied since the Planning Board claimed the covenant was still binding on these lots.

Mr. Burke explained that although the lots had been reconfigured, the covenant still remains in place until Mr. Sisson brings the road up to specifications as agreed. "If you look at the earlier plan, you'll see they are different," Mr. Burke said. "The original plan had four lots, the new plan has six lots. What is needed here is a release from the Planning Board that would specifically refer to Lots 121, 122, 123 and 124."

Mr. Burke also stressed that the lots have changed significantly since the original plan was presented. "Lots 17, 18, 19 and 20 as released by the Planning Board in 1986 no longer exist," he said. "They are different lots with different meets and bounds."

After hearing further discussion from both sides of the issue, the board consented with the advice of legal counsel and unanimously voted to deny Mr. Sisson's appeal on behalf of River's Edge Realty.

Mr. Pickles advised the board that water usage in the town has

increased dramatically in the past two weeks. Just last week, Marion residents used an estimated 1,245,000 gallons of water — a sharp hike from the 500,000 gallons-a-day average during the winter months. Mr. Pickles suggested self-imposed water conservation for all Marion residents and asked that everyone be conscious of their water usage during the peak summer months. Although the increase doesn't warrant an immediate water ban, both Mr. Pickles and the board strongly urged residents to limit unnecessary water usage.

"If we don't get a change in the weather, we will certainly be stressing our water supply," Mr. Pickles said. "I'd suggest that people not water their lawns during the middle of the day when demand is high ... they should, instead, water them at dawn."

At 8:45 pm the board voted to go into Executive Session to discuss a pending police contract issue and would thereafter adjourn for the evening. Selectman Dickerson abstained from these proceedings.

Rochester Selectmen's Meeting

July 7, 1997

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 7 at 7:00 pm by Chairman Richard Cutler. Also present were Selectman Lorraine Roy Hawkes, Selectman William D. Chamberlain, and Secretary Veronica Lafreniere.

After agreeing to sign and approve a transfer of \$2,556.08 for town health insurance payment, the board agreed to hold approval of the June 30 meeting minutes until next week.

Under incoming correspondence for the week, the board received a letter from Greenwood and Walter Hartley regarding the town's proposed Earth Removal By-Law. The Hartley gentlemen wished to offer their comments on the proposed by-law as both "life long citizens of Rochester" and the holders of an Earth Removal Permit. The board agreed to forward the letter and attached comments to the By-Law Review Committee for their consideration.

Residents Troy and Therese Winston of Walnut Plain Road next submitted a letter expressing their concern over trucks which are traveling along Stuart Road near Sippican Estates. The Winstons cited a high number of "dangerous ... eighteen-wheeled trucks" which travel near their home and wanted to know if the board could "bar or reroute heavy trucks such as these away from these roads."

Selectman Hawkes noted that Stuart Road is not an acceptable truck route and there are no existing Earth Removal Permits which allow that route of travel, unless someone is building something on Stuart Road. The board agreed to forward this information to the Zoning Enforcement Officer for his immediate attention and also moved to send a copy to Police Chief Walter Denham. "I think we should also send a letter to Mr. and Ms. Winston informing them of our action," Chairman Cutler said. "Between the Winstons, the Zoning Enforcement Officer, and the Police Chief, we should be able to find out what trucks are traveling down Stuart Road."

The board received a copy of correspondence from the Massachusetts Highway Department to Police Chief Walter Denham regarding a request to decrease the speed limit along High Street from 45 miles-per-hour to 35 miles-per-hour. The Massachusetts Highway Department informed Chief Denham they could not grant his request since, according to police department radar checks, nearly everyone driving along High Street would be traveling above the posted 35 mph speed limit. "Speed limits that are not set according to proper speed zoning with regard to the 85th percentile are generally not respected and more times ignored," wrote District Highway Director Bernard McCourt.

Chairman Cutler suggested the board request assistance from State Representative William Straus regarding this issue. "Maybe we can make a motion to send this information back to (Chief Denham) and ask what percentage of people were traveling over 40 miles-per-hour?" Chairman Cutler said. The board agreed to research this matter further and also to check with state officials about decreasing the speed limit.

The board next received a letter of interest from Randal P. Cabral of Bradford Lane, who would like to be considered for appointment to the Rochester Personnel

Board. The board agreed to place his letter on file and Chairman Cutler noted they had received letters from three potential candidates to date. Those still interested in serving on the Personnel Board should submit a letter of interest to: Rochester Board of Selectmen, c/o Town Hall, 1 Constitution Way, Rochester, MA 02770.

At 7:15 pm the board met with Eileen Medeiros to discuss ongoing problems on Pauline's Way, which has never been accepted as a town road. According to Ms. Medeiros, in October of 1990, the road was supposed to be repaired and accepted as a public way. Since that time, the developer who promised to pay for the necessary repairs has reneged on his promise and left the five families residing on the street with the burden of an unaccepted and unpaved road.

"The developer kept getting extensions from the Planning Board ... and the Planning Board acted on this matter in 1995," Ms. Medeiros said. "Then, the town dropped the matter when the bank said it couldn't fund the project."

"I think (the project) was dropped because of the

potential legal expenses involved," Selectman Hawkes said. "When the road was first put in, it was never right. The cul-de-sac was wrong ... money was put into an escrow account (to repair the road) and the developer withdrew the money from the bank."

Ms. Medeiros expressed her frustration with the fact that it seemed like the Planning Board should have taken steps to ensure the developer made good on his promise. She managed to get an estimate from the Tilcon Company in Acushnet for \$16,000 which would bring the road into compliance with town specifications.

"The contractor that was hired came in and then walked away and filed bankruptcy," said Planning Board member Georgia Chamberlain. "The owners admitted it

was their fault and they never acted on the matter ... we've suggested that the residents go after Sandwich Cooperative Bank (for the road repair)."

The board also offered another possible solution: the residents of Pauline's Way could submit a petition to pay for the road upgrade through a betterment which would then be assessed on their real estate taxes. "So you're going to charge the residents when it's not their fault for what happened," Ms. Medeiros said. "This is not our fault. We came down (to Town Hall) and tried to get the Planning Board to move on this two years ago. Now I think the town is trying to back out of the deal."

Since little else could be resolved at the meeting, the board agreed to schedule a joint meeting with the residents of Pauline's Way, members of the Planning Board, Highway Surveyor Jeff Eldridge, and the Board of Selectmen on Monday, July 14 at 7:30 pm to discuss this further. Selectman Chamberlain suggested that Ms. Medeiros postpone getting a signed petition prepared until after they come to an agreement at next week's meeting.

At 7:30 pm the board met with Steve DeMarzio and Dawn LaPorte regarding property located at 254 Neck Road and 246 Neck Road and an ongoing dispute with their neighbors. According to Mr. DeMarzio, they bought a home on Neck Road seven years ago and were granted an easement to the property owned by their neighbor, Robert Healy. In conjunction with this easement, there were certain restrictions placed on the property in the title deed: no signs could be posted, no fences could be erected, and no unauthorized parking of vehicles would be allowed on the property.

"Lately, the Healys have violated these restrictions and have put up signs ... tied rope between boundary markers ... and parked their cars on the property," Mr. DeMarzio said. "Now they're digging a

driveway by hand on our frontage."

Mr. DeMarzio and Ms. LaPorte claim that the Healys asked them to swap a piece of land some time ago and all the trouble began when they refused to do so. In addition to the violations of the deed restrictions, the couple claimed the Healys have taken to spray-painting rocks near their property. "I guess they want to sell their property and now they're trying to make it difficult for us," Mr. DeMarzio said.

The board members, although sympathetic to Mr. DeMarzio's problem, were reluctant to take any action in this matter. "If (the restrictions) are specifically written in the deed, then it becomes a civil matter," Chairman Cutler said. "I'm not too sure there's anything we can do at this juncture. This is something I think the lawyers are going to have to hash out."

Both Mr. DeMarzio and Ms. LaPorte said they didn't want to cast any dispersions on Mr. and Ms. Healy, they just wanted to settle what has become an ongoing battle between neighbors. "I don't want to classify (Mr. and Ms. Healy) as beyond bizarre," Mr. DeMarzio said. "If they had been cordial when they first asked us to swap property, this all could have been avoided."

The board said they would notify Zoning Enforcement Officer Bruce Maksy to request that he keep checking in on the situation to make sure there are no violations of town by-laws. Other than that, the board agreed that Mr. DeMarzio and Ms. LaPorte have to deal with this matter through whatever legal means necessary.

With a Special Town Election already slated for August 6, the board agreed to schedule a Special Town Meeting on Monday, August 25 at Memorial School and also voted to post a Selectmen's meeting for Wednesday, August 6 at 7:30 pm to review the outcome of the election and decide which articles would be placed on the Special Town Meeting warrant.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:35 pm.

Letters to the Editor

To the Editor:

We would like to extend our sincere appreciation and thanks to the following businesses for their support and financial contributions. These donors have made our t-shirts, track coaching staff, and awards a reality. We are off to a season with a record number of participants. Nearly 200 children are enjoying the new track every Monday and Wednesday evening and benefitting from your contributions: Mar-Lees Seafood, Inc., Metropolitan Life, Citizens Bank, Peoples Savings, Jeffrey Swift Chiropractor, Screenworks.

Sincerely,
Mattapoisett Track Club

To the Editor:

Once again I want to thank the Mattapoisett Police and EMT's for their expert and caring medical attention while answering my call for medical assistance on June 22. They are a caring crew.

Sincerely,
Bob Wenstrom
Mattapoisett

HAYES ASSOCIATES

Animal Advice

Jay Gould, DVM

TRAINING YOUR PUPPY

My puppy is 3 months old and still poops in the house. What can I do?

Use a crate. Puppies come to think of a crate as their own room, not a prison. The puppy goes into the crate last thing at night after being walked and is taken outside the first thing in the morning. After each meal the puppy goes outside with adult supervision and receives praise after eliminating. The pup should stay in the crate during the day when he is not being played with. He should go outside every 30-60 minutes when he is free in the house. Most dogs are housebroken by 6 months.

When can I start teaching him tricks?

Start immediately! Have short training sessions of 2-5 minutes as often as you can. Start with "sit, stay, come" and then add other tricks as you desire.

*Dr. Gould can be reached at the
Mattapoisett Animal Hospital (508) 758-6400*

Adoptable Animals

The local chapter of Animal Umbrella, Inc. wants to thank local merchants Dunkin' Donuts, Jan's Shipyard Galley, Roselynn's Cafe, and Uncle Jon's for donating muffins and donuts which were sold at their Yard Sale to add to their total profit. Also, a special word of thanks to the Mattapoisett Fire Department.

They also want to thank everyone for responding to their pleas for donations and food. Everything was greatly appreciated and was either used to feed over 30 kittens which are now in foster care or to spay the mothers, making them also adoptable. Donations can still be sent to 11 Ridgewood Road in Mattapoisett.

Available adults this week include a real sweet petite short-haired calico, an all-orange short-haired female, and a black and white short-haired female. The group also has kittens of all ages and all colors — some with double paws. They have been vaccinated and wormed. They also have older kittens (four to six months), an orange and white short-haired female, a beautiful calico, and an orange and white male.

In the dog category this week, the group's featured animal is still the medium-sized white pooch who is a victim of circumstances. She was in the shelter for a long period of time. Animal Umbrella had her

splayed and found an excellent home for her in January. Now six months later, the baby in the home has developed allergies to "Sweetie," and she has to go. She is a real love and a great family pet.

Also available at the Fairhaven Animal Shelter is a wonderful seven-month-old puppy shepherd mix who really needs to leave the shelter and have someone to play with. A male beagle is a new addition this week. Please call Kristin at 979-4028 to view them. The cocker/beagle mix is also still available. He is a neutered male who is great with kids. Please call John at 993-4256 if interested. Now that the kids are home for the summer, it is a great time to introduce a new member to the family.

In addition to the group's dog offerings, they also have a five-year-old border collie/retriever mix. He is a neutered male and has been heartworm tested and vaccinated. He weighs in at 55 pounds. A great family pet or companion dog, he also comes with a 12-by-12 kennel. If interested, please call Pam at 947-3397.

If you are interested in helping Animal Umbrella by adopting one of the other aforementioned pets, please contact one of the following local representatives:

- Mary Lou at 994-6168;
- Priscilla at 758-2896;
- Trudy at 990-7806;
- Susan at 758-4044.

In the Lost and Found department this week, a black and white female adult cat was found in Acushnet on July 2. To claim, please call one of the aforementioned

gearing up for their annual Summer Fair to be held on the church grounds at 28 Main Street on Saturday, July 26. Chairman David Pierce promises it will be "a traditional New England church fair for our visitors who return year after year."

Susan Nichols has already begun preparations for the food table. A variety of ready-to-serve casseroles, meat pies, and appetizers will be for sale, along with summer fruit, jams and pickles. Yvonne Jackson and Beverly Wareham are collecting items for the White Elephant Table. If you are planning to clean up your attic and garage during the next few weeks, you may donate items in good condition. Toys, kitchenware, sporting goods, and jewelry are all acceptable items. You may bring donations

to the Community Center building on weekday mornings.

Homemade candies, a bakery, cheddar cheese by the pound, handmade crafts, and a "silent auction" of special items will all be on the church grounds. The Garden Step will feature garden produce, blueberries by the box, and flowering plants. Call Bob Marso (748-0306) or Russ White (748-2979) if you have a contribution to the plant and vegetable table. The Book Table depends on donations from the community — Carolyn and John Ogren (748-0967) and George Schwartz (748-2969) are collecting books now. You may drop off donations at the Community Center during the week.

Children's craft activities will be offered during the fair from 10:00 am to 1:30 pm and all young visitors are invited to participate.

The popular Chapel Cafe, open only once a year in the Community Center Hall, will be under the management of Carol Richardson, Marthe Soden, and Janet Schwartz. Lobster rolls will be featured on the menu along with assorted sandwich rolls. The community is invited to attend.

The Penny Pinchers' Exchange will be open from 10:00 am to 1:00 pm as it is throughout the summer on Saturday mornings, and 10:00 am to 4:00 pm on Wednesday.

Museum and Carriage House — World War I Memorabilia — is a fascinating one. Uniforms, posters, citations, medals (including the French Croix de Guerre), photographs, letters, and more are on display.

The museum, located at 5 Church Street, is open Tuesday through Saturday, 1:00 to 4:30 pm. In addition to the special exhibit, other items of interest spanning local history are displayed on two floors in the old Meeting House and two floors in the Carriage House. The Meeting House portion of the museum is air-conditioned and is a nice place to be on a warm day. Admission is \$2 for adults and 50 cents for children under 12. The museum is now handicapped accessible via a new walkway and entrance through the Carriage House.

Rochester Seeks SRPEDD Rep

The Board of Selectmen in Rochester is searching for an interested volunteer to serve as its liaison to the Southeast Regional Planning and Economic Development District (SRPEDD). SRPEDD serves as the region's planning agency and the representative will keep the board informed about all regional planning issues affecting the Town of Rochester. Meetings are generally during the evening hours in Taunton. Interested volunteers are encouraged to send letters of interest to the Board of Selectmen, c/o Executive Secretary Russell Dean. For more information about the position, please call the Rochester Town Hall at 763-3871.

Friends Looking for Friends

The Friends of the Friends Meetinghouse, a volunteer group which supports the restoration and operation of the 1759 Long Plain Friends Meetinghouse in Acushnet, is looking for new members. The Friends of the Friends, as they are known among themselves, is a loosely-organized group which collects no dues, asks for no financial contributions from its members, and only meets occasionally. But the work it does, supporting the restoration and cooperating in the activities held at the venerable meetinghouse, is important and rewarding.

The Long Plain Friends Meetinghouse, located at 1341 Main Street in the northern part of Acushnet, was built in 1759 and operated as a Quaker meetinghouse until 1965. In 1985, a group of Acushnet residents, concerned about the dilapidated condition of the old building, approached the Quakers, who were also worried that they were unable to finance the building's upkeep. This meeting eventually resulted in the property (2.57 beautiful acres, including a burial ground) being turned over to the Acushnet Historical Commission, which then proceeded to get the property listed on the U.S. National Register of Historic Places, and embarked on a five-year-project to completely restore the building. A rededication and the startup of a modest Quaker Museum occurred in 1991.

The Friends of the Friends open the meetinghouse and its museum to the public every Sunday afternoon during the summer months and sponsor three FREE

Each year the Mattapoisett Road Race Committee solicits applications from seniors attending the Old Rochester Regional High School for the awarding of scholarships from the funds generated by the Road Race. The *Joy of Running* is the criterion used by the Road Race Committee in its selection process. This year \$1,000 scholarships were awarded to the following:

Nicole Charbonneau (Mattapoisett); Alison Gilmore (Rochester); Johanna Lindberg (Marion); Jill Fricke (Marion); and David West (Mattapoisett).

Acushnet Voter Registration

A reminder to all Acushnet residents: if you are not a registered voter, the last day to register for the upcoming Special Town Meeting on July 28, 1997 will be Friday, July 18. If you have any questions, please call the Acushnet Town Clerk's office at 998-0215.

Outdoor Concerts in Fairhaven

The "Big Band" sound, square dancing, music of the '60's, and more will fill the historic center of Fairhaven on Thursday evenings this summer when the Fairhaven Improvement Association begins its annual "Music in the Center" series of free concerts in mid-July. The outdoor concerts take place on the Town Hall steps at 7:00 pm beginning July 17 with a performance by The Meadowlarks. Concert-goers should bring their own lawn chairs or blankets. A section of Center Street will be closed to traffic, giving people the opportunity to dance if they wish to. Colorful street chalk will be available for children to use to create artwork in the street as well.

Other summer performances will include:

- July 24 - Dartmouth Community Band;
- July 31 - Memory Lane II, music of the '50's and

'60's;

Medal of Honor Veterans

The Veterans Service Office for the towns of Mattapoisett and Rochester received correspondence from the U.S. Naval Reserve Commander, Captain R. H. Deusch, Naval Air Station, South Weymouth, in reference to Medal of Honor recipients. The Department of Navy is outlining a proposal to erect a memorial dedicated to the Medal of Honor recipients in Plymouth and Norfolk counties. It is imperative that we appropriately recognize and never forget the supreme sacrifices they made for their country.

Any veteran who is a recipient of the Medal of Honor should contact the Office of Veterans Services located in the Mattapoisett Town Hall (758-4114), Tuesday through Thursday, 9:00 am to 2:00 pm. If the office is closed, please leave a brief message with your name and phone number.

Harpoon Harmonizers in Acushnet

The Harpoon Harmonizers, the ever-popular award-winning barbershop group, will appear at the Long Plain Friends Meetinghouse, 1341 Main Street in Acushnet, as the second concert in the tenth season of "Music at the Meetinghouse" series. The concert will be held on Saturday evening, July 19 at 7:00 pm. The FREE summer concerts are held on the lawn of the historic (1759) old meetinghouse and FREE refreshments are served at intermission.

The Harpoon Harmonizers, now in their 51st year, are the New Bedford chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, although the group features songs by

larger groups as well as quartets. The Harmonizers have competed regularly against other choruses in the Northeast, placing nine times in the top five, with two first-place finishes.

Membership includes men from New Bedford and surrounding communities ranging from Tiverton, RI to Falmouth, MA. Although emphasis is on the "oldies," the repertoire includes a wide variety of music from spirituals to Broadway show tunes.

On Saturday, August 23, the Music at the Meetinghouse concert will feature Ed Priest — family entertainment at its best.

"Music at the Meetinghouse" concerts are held Saturday evenings on the lawn of the fully-restored colonial Long Plain Friends Meetinghouse. The concerts are co-sponsored by the Friends of the Friends Meetinghouse and ACTION (Acushnet Citizens Together Improving Our Neighborhoods). These concerts are also supported, in part, by a grant from the Acushnet Cultural Council, a local agency supported by the Massachusetts Cultural Council, a state agency. Admission is FREE, and refreshments are served at intermission along with FREE tours of the Quaker Museum during the hour preceding the concerts. Please bring folding chairs and/or blankets.

The Long Plain Friends Meetinghouse and its Quaker Museum are open for visits from 1:00 to 4:00 pm every Sunday through September 7. Admission is FREE.

North Fairhaven Walking Tour

A Walking Tour of North Fairhaven will be conducted on Sunday, July 20 at 3:00 pm. The tour will step off from the Oxford School parking lot at 347 Main Street in Fairhaven, with Natalie Hemingway as the guide.

The theme of this tour is "Know Your Neighborhood's Past and Present." In June the Fifth Graders at Oxford School were led on this tour where they learned of the important "historical past" of the northern section of Fairhaven which was the first part of the town to be settled. John Cooke, an original passenger of the *Mayflower* which landed in Plymouth, MA in 1620, was the first to settle in North Fairhaven. He provided

MOVIES & ENTERTAINMENT

Zemeckis looks to the future to make *Contact* with faith

BY ROB GONSALVES

■ *Contact*. Starring Jodie Foster and Matthew McConaughey. Directed by Robert Zemeckis. Running time: 150 minutes. MPAA rating: PG. At Cinema 140 in New Bedford.

I wonder exactly when it was that Robert Zemeckis became a mass-audience healer, dedicated to our enlightenment and improvement. This, after all, is the man who gave us that hilarious ode to insincerity *Used Cars* ("You know, Mrs. Lopez, the color of your hair matches the color of these tires"). And even as recently as 1992 he made the memorably nasty *Death Becomes Her* — whose box-office failure may explain Zemeckis' hard left turn into Serious Major Motion Pictures.

In *Contact*, as in the inescapable *Forrest Gump*, Robert Zemeckis tucks us in with an inspirational bedtime story. Both movies are fit for inclusion in William Bennett's *Book of Virtues*; they're bookend pieces, really — *Gump* toured America's past and *Contact* turns its eyes to the future. And both movies have matching strengths and weaknesses. I actually liked *Gump* before it stopped being a movie and started being a pop-culture religion; I enjoyed its narrative sweep and its satisfying big-budget movieness, and the same qualities kept me interested in *Contact*.

The movie is based on a novel by the late Carl Sagan, an enthusiastic scientist and thinker who was also a tad full of himself, as anyone who watched him on PBS' *Cosmos* can attest. *Contact* is full of itself, too — swollen with hefty talk best left to college students

lazing around with a bong. Who are we? Why are we here? What is our destiny? Like, *wow*, man. The movie is like an extremely literal-minded answer to 2001, which hid maddening questions inside the folds of its narcotic mysticism. *Contact* poses questions only to provide its own warm and fuzzy answers. The universe is like a box of chocolates.

Acting for the first time since the awful *Nell* in 1994, Jodie Foster is once again alert and grounded, which is the best news about *Contact*. She's Ellie Arroway, a brilliant young astronomer driven to find a way to chat with whatever might be Out There. A skeptic and passionate scientist, she doesn't believe in God but does believe we're not alone; she's Mulder and Scully rolled into one — she, too, wants to believe. And that, I'm afraid, turns out to be the emphasis of *Contact*. We've lost ourselves! We need faith in something, anything!

Much of *Contact* unfolds in an anticipatory hush that's very welcome in this loud summer. The astrologers wait for a sign from the skies. They wait to figure out what the signal means. They wait for word from the White House. They wait to see who will be picked to go up in a spacecraft whose design has been encoded in the signals. Waiting and more waiting. Yet the movie isn't boring. Zemeckis still has superb, assured control of his filmmaking, if not his choice of material.

Contact yearns for a marriage of science and religion. The devotees gathering to await alien contact are like the Gump acolytes jogging across America, and Ellie becomes a Gump for Roswell junkies. After her trip through space, everyone thinks she hallucinated it, and her skepticism is thrown back at her. She can't prove what she saw; it's like God — you have to believe! Zemeckis is telling us that the color of our souls matches the color of the cosmos. He's selling us used pieties.

Rochester Awarded Development Grant

Senator Marc R. Pacheco (D-Taunton) and Representative William Straus (D-Mattapoissett) recently announced the awarding of a \$209,313 grant to the Town of Rochester from the Massachusetts Community Capitol Fund (MCCF). \$200,000 of the grant will immediately be available in the form of a loan to the Rochester Environmental Park, LLC. The loan is to be used exclusively for working capitol in the construction of a new Transfer Station for recyclable materials while the remainder of the grant has been set aside for costs incurred by the town in administering the loan and monitoring the progress of the REP, LLC.

"I am very pleased to see the Town of Rochester working with private industry to not only create job opportunities but to do so in a manner which takes into account the very real need to address environmental issues in the Commonwealth," said Senator Pacheco.

Representative Straus went on to add that "this financial assistance will allow for increased recycling of materials in the region. It is another example of how economic and environmental goals can be met together."

The MCCF grant, overseen by the Department of Housing and Community Development, is directly aimed at providing financing to businesses unable to obtain full funding through conventional means and is, in fact, part of the larger, national Community Development Block

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). If you do your shopping now, you'll get a better deal. Have the fireworks at your place; you love that stuff.

Taurus (April 20-May 20). You're smart, but not too lucky — especially with an older intellectual. Don't bother to argue. Money comes in, but goes out almost as fast.

Gemini (May 21-June 21). Study money and increase your income. Finish the stuff on your lists. If you're smart, which you are, you can make some money.

Cancer (June 22-July 22). Gather your team to make a big decision. If money's a problem, brainstorm in private. You and your confidant can come up with some good ideas.

Leo (July 23-Aug. 22). You're lucky in love. Although you have obligations, you also have the support of good friends. Somebody's talking about you.

Virgo (Aug. 23-Sept. 22). Your boss will seem rather schizophrenic today. He or she wants you to do two things at the same time. Finish up the assignment so you can party.

Libra (Sept. 23-Oct. 23). You're in an action phase. A lack of funds slows you down. You'd be off like a rocket, if you didn't have to go to work.

Scorpio (Oct. 24-Nov. 21). Study a foreign language with a native speaker and you could wind up with a partner for life.

Sagittarius (Nov. 22-Dec. 21). A new idea may fall flat, so take care. The competition's fierce. Just do your best and you'll be fine.

Capricorn (Dec. 22-Jan. 19). If you have to choose between love and money, choose love. You can work harder and make more money.

Aquarius (Jan. 20-Feb. 18). Go straight home; you'll need the rest. Amazingly enough, you should schedule your big dates now. Try not to do anything too strenuous, though.

Pisces (Feb. 19-March 20). Do the work so you can make a wise decision. Your house is in an uproar. You may have to go somewhere else to hear yourself think.

If You're Having a Birthday This Week: Friends are the key to your success. One will cost you money, but others will help you make more.

Grant program created by the Department of Housing and Urban Development. The \$209,313 has been awarded to Rochester with the understanding that it in turn will provide a loan to the Rochester Environmental Park, LLC. The loan is to be paid directly back to the MCCF pool for future use in other such programs.

Businesses are chosen for the program on the basis of merit, future financial viability, ability to create jobs within their community, and overall benefit to that community, among other criteria. Any business or town is welcome to apply for a grant at any time with the stipulation that the money be used for the preservation and creation of jobs. In the case of the Rochester Environmental Park, LLC the money will be used for construction of the transfer station — a project which is not only projected to create 22 jobs for the town but, more importantly, provide an invaluable service to the community.

The MCCF program has been highly effective since its inception in 1983. Currently the program receives \$2.5 million per year from the Federal Government with another \$1 million or so available to them from the payment of previous loans. All of this money is then available for projects as diverse as infrastructure, social service programs, and in the case of Rochester, economic development.

He's Back...

This week and every week to follow we are hiding the armadillo in *The Wanderer* once again. For those of you not familiar with this practice, here's how it works. Each week we hide a little armadillo (shown above, actual size) somewhere in the newspaper (not counting the armadillo above). If you find him (or even if you don't) you can send in a postcard with your name, address, and phone number to the address below to enter our Armadillo Drawing! This week we are giving away an "I found the Armadillo" lapel pin. Send entries to: Armadillo, P.O. Box 102, Mattapoisett, MA 02739.

Ice Cream Social in Marion

Come one, come all to an Ice Cream Social ... the Marion First Congregational Church is repeating their popular old-fashioned Ice Cream Social on Monday, July 14 from 6:00 to 7:00 pm. Join them on the lawn of the church at the corner of Main Street and Front Street in Marion for ice cream, then stroll one block to enjoy the weekly outdoor band concert. Two scoops (with toppings) costs just \$2. It's a bargain that you can't pass up.

Old Tyme Faire in Mattapoisett

MARION CHIROPRACTIC DR. ALICIA M. CRABBE D.C., R.N.

By aligning the spine we remove interference to our nervous systems, allowing the body to heal itself.

Chiropractors are not only "bad back" or headache doctors, we are nervous system specialists.

Quotes from patients seen at Marion Chiropractic:
Debbie (age 39) "...my pains in my shoulder, back, bottoms of my feet are all gone, but I also feel better, I just feel straighter and feel like I can accomplish more."
Jenn (age 28 after 10 years of pain) "...I wish I had done this 10 years ago, I am so very much better."
Donna (about her son Preston, age 6, following 6 weeks of care) "...this is the first time in his life he has gone swimming and not had an ear infection afterward."

Magician Show in Fairhaven

Fairhaven's favorite magician, Jon Stetson, will be performing at the Unitarian Church on Wednesday, July 16, 1997 at 10:00 am. The performance is part of the Millicent Library's Wednesday summer reading program series. Jon Stetson, "The Magic Guy," has created an all-new, fun-filled family show full of incredible magic tricks, side-splitting comedy, balloon folding, and lots of audience participation. He has taken his bag of tricks to the four corners of the globe including a performance at

Cat Boat Regatta in Mattapoisett

The New England Beetle Cat Boat Association (NEBCBA) is holding its seventy-sixth Regatta on August 8, 9 and 10. The host is the Mattapoisett Yacht Club. The racing classes are Mighty Mites, Juniors, and the Telesmanick which includes Juniors, Women's, Old Salts, and Open. Sue McGowan heads up the Regatta Committee. For more information, she may be contacted at 758-4416 or P.O. Box 84, Mattapoisett, MA 02739.

The Beetle Cat has been sailing around New England waters since 1921. It was designed, constructed and named by the Beetle Family of Clark's Point, New Bedford, MA. In 1928, Miss Ruth Beetle took over the boatyard at the death of her father, John. She was the only woman boatwright in the U.S. in 1932. Then came World War II, interrupting all construction. After the war, Ruth's brother Carl Beetle sold the right, title and interest to the Concordia Company, Inc. in South Dartmouth, then run by Waldo Howland. The Beetle Cat is now being built by Beetle, Inc. in South Dartmouth.

The Beetle Cat is a wooden, centerboard vessel with a gaff-rigged single sail and short mast. It is good for learning the fundamentals of sailing as well as being easy to maintain, transport, and store. The Beetle has proved itself, also, as a good racing craft.

During the '20's and '30's, the Beetle's popularity grew tremendously in Massachusetts and Rhode Island. In 1937, the first Beetle Cat Championship was held and NEBCBA was formed. In 1947 the Beetle Cat came to Mattapoisett, where it is still sailed and raced.

WE ALL MAKE MISTAKES

Fortunately, some can be corrected.

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake. Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
